IncludFEST

mobiloo
a vehicle for change

Access provision includes **British Sign Language** interpretation and **Mobiloo** (a mobile changing places facility)

Your event hosts are the fantastic **Shabang Inclusive Learning** alongside the wonderful **Ruben Reuter**, also known as Finn McLaine from CBBC's 'The Dumping Ground'.

Hosts

Katie Doherty

Award winning songwriter Katie Doherty performs songs to lift your hearts, raise your voices and join in with. "Real life has rarely sounded as good." - NARK Magazine

Music

Payal Ramchandani

The Tree Hugger: This storytelling performance in the Indian classical style of Kuchipudi explores the idea of togetherness but also depicts reverence and humility regarding our place in nature.

Dance

Elena Joy Miller - Star Bright Arts

The Mystery of Surviv on Sea: Be part of Sam and Jimmy's amazing adventure, where the roll of the dice decides which story path they take!

Storytelling

Bell and Bullock Street Theatre Co.

The Doves of Hope & Glory: Jet-setters Monty and Minty will perform dazzling diabolos skills. Their finale features two brave (toy) doves being fired from a cannon into a net!

Theatre

TIN Arts' Inclusive Youth Dance Co. - D+

Inspired by the courageous journey of one of the dancers, D+ share a dance that is close to their hearts. This piece explores determination and true friendship.

About IncludFEST

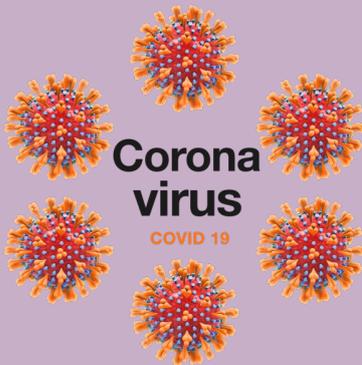

IncludFEST is a fully inclusive and accessible arts festival for children, young people and families.

It is produced by TIN Arts.

In more 'usual' years, the festival has been a full afternoon with a variety of activities across a large site.

This year, due to coronavirus, we have had to plan the event differently to keep everyone safe.

In this pack you will find more information about the safety measures we are putting in place.

On the day you will be assisted by the IncludFEST stewards who will be wearing purple hi-vis waistcoats.

About IncludFEST

This year, IncludFEST will take place at Ushaw: Historic House and Gardens. When you arrive, you will be guided indoors through a building to reach the outdoor performance area.

The performance area is in a square-shaped outdoor courtyard at Ushaw.

The performance will last for 1 hour.

You should arrive no more than 30 minutes before the performance is due to start and leave shortly after it has finished.

If you want to arrive earlier or stay after the performance to explore the Ushaw Gardens, you will be asked to use another car park on site.

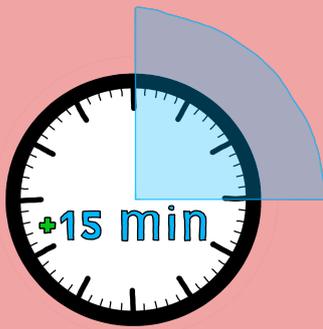

This is because spaces at the IncludFEST car park are needed for each performance.

Keeping everyone safe

To make sure we can host a socially distant event, only 8 invited family groups will attend each performance.

Up to 6 people are allowed per group. In line with current government guidance, this can be from any number of households.

The performance area will be open 15 minutes before each performance.

You will take a very short journey through an indoor building to reach the performance area.

You will be asked to sanitise your hands and - should you wish to - wear a face covering whilst you are indoors.

When you get to the outdoor performance area you will be guided directly to the gazebo with bunting that matches the colour given to your group.

This colour will be the same as the things included in your pre-event arts and crafts pack too.

Keeping everyone safe

Our stewards, performers and other audience members will be asked to keep a safe distance from you at all times.

This is being carefully managed by using gazebos and bunting, as well as our trained stewards reminding where needed.

When we are indoors, the **IncludFEST stewards** will wear face coverings (unless they are exempt for medical reasons).

All members of the IncludFEST team will sanitise their hands regularly.

North-East Medical Services - a professional medical team - will be on site.

Should you or anyone in your group need medical attention, please alert one of our stewards.

Keeping everyone safe

Our team will clean each gazebo and any items within the gazebo before and after each performance so that it is ready for you when you arrive.

We have not issued any physical tickets for IncludFEST - when you arrive simply tell us the name of the person who booked.

Please do not come to IncludFEST if you or a member of your group are showing any signs or symptoms of COVID-19.

If you are unable to come to IncludFEST for any reason, please tell us as soon as possible, so we can give your place to someone on our waiting list.

Facilities and Access

The route from the IncludFEST car park to the outdoor performance area is largely flat, wide stone.

There is a slight 'lip' as you enter the building and outdoor performance space which we will cover with matting.

The performance area is on grass. It is slightly 'spongy' so we recommend wearing flat shoes.

We have strengthened the ground with wire mesh so that it is easier for wheelchair users to travel on.

For more information:
www.mobiloo.org.uk

Mobiloo will be on site: a mobile accessible toilet with adult-sized changing bench, hoist* and a friendly attendant.

*Please bring your own sling to use the hoist.

Male/Female/Standard Accessible toilets are located **inside** the building.

There will be a British Sign Language (BSL) Interpreter on site called Jenna.

Jenna will be on stage throughout, interpreting all speech (including music).

Assistance dogs are welcome.

No other dogs are allowed on site.

Watching the performance

Each group will be given their own gazebo to watch the performance from.

All the gazebos will be next to each other but separated by use of clear plastic sides.

The front and back of the gazebo will not have sides to allow air to flow freely.

We recommend you bring a blanket to sit on to create that 'festival feel'!

You will be also provided with clean plastic chairs if you wish to use these in your gazebo. If you would like more chairs, please ask our stewards.

Coronavirus (COVID-19)

The performance area is 6 metres from the audience in line with government guidance to keep you safe.

You must stay in your gazebo throughout the performance. The only exception to this is if you need to use the toilet facilities.

What to bring

As the performance is outdoors, we recommend bringing warm clothing and waterproofs just in case you need them.

Your gazebo should keep you reasonably dry but there is a chance you could get wet if it rains!

You may bring your own food and drink (no alcohol is permitted on site).

We will provide bin bags for you to place your rubbish in.

Should you wish to, you may bring a face covering to wear when you are indoors. This is only for a short distance to get to the outdoor performance space, or if you need to go to the toilet.

You might want to bring ear defenders which aid those who are sensitive to loud noise.

If you have asked us to provide some for you to borrow, they will be at the **IncludFEST Hub** ready for when you arrive.

We will have a few spare sets on the day - just ask one of our stewards if you need to.

What to bring

Bring your colourful rosettes that you have made at home. It would be great to see everyone attending wearing one - you could wear it on your clothes or attach it to something like a wheelchair or a bag.

If you are arriving by car, remember to bring your parking pass.

You will find in your pack that was sent in the post.

Please put your parking pass in your car dashboard so it can be clearly seen by our stewards.

What if I forget my rosette or my parking pass?

Don't worry! Our friendly stewards will help you to park (just tell them you are here for IncludFEST!) and Gertie will be at the IncludFEST Hub with spare crafts if you need.

Sensory Guide: IncludFEST

A guide to the sounds of IncludFEST

A DJ playing Live music

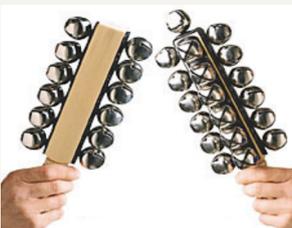

A singer with a piano

Music played through speakers

A 'toy' cannon with a soft 'BANG!'

People shaking or banging hand-held instruments

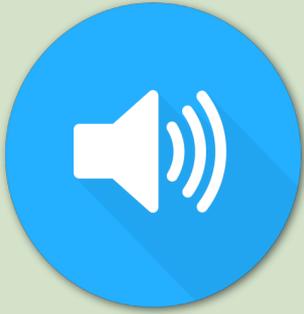

Applause

A clock that chimes every 15 minutes

Noise Levels

To make sure that everyone can hear, we will be using a PA system to amplify the performers' voices and music.

If you have asked to borrow some ear defenders from us, you can pick these up at the **IncludFEST Hub** next to the car park when you arrive.

We will clean them thoroughly before and after the performances.

**This is a
quiet area**

If at any time you or someone with you would like to go somewhere quieter and away from the performance space, please tell one of our stewards who will guide you safely back out to the front of the building where there are a lot of quiet spaces.

During the performance you may be encouraged to join in by clapping or using your voices.

Transport and Parking

The event takes place at:
Ushaw: Historic House, Chapels
and Gardens.

Woodland Road
Durham
DH7 9RH

(North west of Durham City)

To get here you can:

- Arrive by car, bus or taxi
- Walk
- Cycle

Visit <https://www.ushaw.org/how-to-find-us> for more information and travel directions.

Parking at Ushaw is free for this event. We will have stewards and signs to show you where to park during IncludFEST and you will receive a **parking pass** to display in your dashboard.

If you want to stay longer to explore Ushaw grounds and gardens, you will be required to move your vehicle to the main car park.

For more information about the site please visit the Ushaw website:

<https://www.ushaw.org/>

How to find out more
