

Alix

Who are you?

My name is Alix Longstaff. I am 27, male. I am from the North East of England. I like cars, games and dancing.

Which of the 4 A's are you exploring?

I chose the Ambassador role because I thought I could be a great Ambassador. I am usually the one to chat to people about TIN Arts, so I already had some experience in this role.

Who is your TIN Buddy?

My TIN Buddy is Rachel. I chose Rachel because we get along really well. In the past we have had many adventures together, so I thought she would be a good choice to help me.

What have you done so far with your TIN Buddy?

So far, me and my TIN Buddy have looked at a variety of different PowerPoints and presented these to the Monday group. I have told them all about the 4 A's we have been looking at. This role includes promotion so me and Rachel looked at creating a logo for the Community Champions. We also looked at t-shirt and hoody colours. I have been helping out at Bounce classes because I used to go when I was younger.

Why is being a Community Champion important to you?

Being a Community Champion is important to me because I have been part of TIN Arts for a long time. Hopefully this project can continue and help other people like me.

What would you like to do in the future as a Community Champion?

In the future I would love help out with different groups and teach them.
